EDUCATION

Ph.D. in Statistics, University of Michigan, Ann Arbor, expected 2030.

Affiliated with the Genome Science Training Program.

B.S. in Mathematics (with distinction) and Statistical Science (with high distinction), Duke University, 2025.

Minor in Economics.

Advisors: Prof. Ezra Miller (mathematics) and Prof. Jerry Reiter (statistical science).

RESEARCH INTERESTS

Missing data, differential privacy, causal inference, survey methodology.

Statistical & population genetics, ancestral recombination graphs, multi-omic data.

High-dimensional probability, concentration of measure, networks, trees.

Applications of statistics to the social sciences, including sociology and data/computational journalism.

RESEARCH EXPERIENCE

2024–25 Research Assistant, Department of Biomedical Informatics, Harvard Medical School

Advisor: Prof. Chirag Patel

Developed methods to translate estimators for polygenic risk scores to exposomic and proteomic data.

Supported through the Harvard Summer Institute in Biomedical Informatics.

2023–25 Research Assistant, Department of Mathematics, Duke University

Advisor: Prof. Ezra Miller

Completed a mathematics department's PRUV Research Fellowship, studying random geometric graphs in hyperbolic space. Now studying algebraic and geometric statistics towards graduation with distinction.

2024–25 Research Assistant, Department of Biostatistics and Bioinformatics, Duke University

Advisor: Prof. Jichun Xie

Applying and developing statistical knockoff methodology for genome-wide association studies to detect common causal variants of lung diseases.

2022–25 Research Assistant, Department of Statistical Science, Duke University

Advisor: Prof. Jerry Reiter

Developed a technique to incorporate complex survey design into estimates of population-level accuracy for machine learning classifiers trained and evaluated on survey data. Developed a sensitivity analysis visualization framework.

Manuscripts Under Review

- 2025 Wadekar, A.S. and Reiter, J.P. "Assessing Decision-Making Confidence in the Presence of Data Uncertainty." arXiv:2504.17043.

PRESENTATIONS

- May 2023 "Truth or consequences? A principled path to evaluating classifiers using survey data," Symposium on Data Science and Statistics, St. Louis, Missouri.
- Jan. 2023 "Using weights to improve the reliability of classification metrics with complex survey data," Dept. of Statistical Science, Duke University.
- July 2019 "Predicting Opioid Use Disorder Using a Random Forest," IEEE 43rd Computer Software and Applications Conference, Milwaukee, Wisconsin (peer-reviewed fast abstract).
- Mar. 2018 "Grade-level Participation in the Advanced Placement Curriculum," IEEE Integrated STEM Education Conference, Princeton, New Jersey.

AWARDS, HONORS, AND RESEARCH SUPPORT

- 2025 Genome Science Training Program Fellowship (unanimously awarded in biostatistics department., declined for affiliate status in statistics department), University of Michigan.
- 2025 Honorable Mention, National Science Foundation Graduate Research Fellowship.
- 2024 Nominee for Churchill Scholarship (2 endorsed each year), Duke University.
- 2024 Fifth Place for [Breaking News Story of the Year](#), Associated College Press.
- 2024 Semifinalist (7 semifinalists, 3 awardees out of 1700+ undergraduates) for [Faculty Scholars Award](#), Duke University.
- 2024 Summer Institute in Biomedical Informatics (SIBMI) Research Fellowship, Harvard University (\$4,500).
- 2024 Program for Research for Undergraduates (PRUV) Fellowship, Dept. of Mathematics, Duke University (\$3,500).
- 2023, 2024 Deans' Summer Research Fellowship, Duke University (declined, \$3000).
- 2023 Finalist submission for [Fischer-Zernin Award for Local Journalism](#), Duke University.
- 2023 Finalist submission for [Melcher Award for Excellence in Student Journalism](#), Duke University.
- 2023 Conference Grant, Office of Undergraduate Research Support, Duke University (\$500).
- 2022 Huang Research Fellowship, Initiative for Science and Society, Duke University (\$6,000).

- 2021 Scholar Award, Regeneron Science Talent Search.
- 2019 Certificate of Honorable Mention (administered by the American Statistical Association), Intel International Science and Engineering Fair.

TEACHING EXPERIENCE

- TA for STA 602L, Bayesian Statistics (master's level), Spring 2025.
- TA for STA 432, Theory and Methods of Statistical Learning and Inference, Fall 2024
- TA for DECISION 618, Data Analytics for Business (Fuqua School of Business), Fall 2021-23.
- Grader for MATH 340, Adv. Introduction to Probability, Spring 2025.
- Grader for MATH 230, Probability, Fall 2022, 24.
- Grader for MATH 112L, Spring 2022, 23.
- Help room TA for MATH 122L, Introductory Calculus II, Spring 2022.

SERVICE

Academic Journal Referee

Journal of the American Medical Informatics Association, Drug and Alcohol Dependence.

University Service

- At-Large Member for Senior Class Gift Committee, Duke University.
- Trinity Ambassador for the Department of Statistical Science, Duke University.
- Student application reviewer for Huang Fellows Program, Initiative for Science and Society, Duke University.
- Blue Devil Buddies peer mentor, Duke University.

OTHER POSITIONS

- 2021–25 Creative Intern, Duke Men's Basketball.
- 2021–24 News Editor (2023-24), University News Editor (2022-23) and Staff Reporter (2021-22), Duke Chronicle.
- 2019–20 Photographer-in-Residence, Town of Westborough, Massachusetts.

SOFTWARE

Proficient in R, Python, assorted bioinformatics tools (PLINK, VCF/BCFtools, etc).

Updated May 2025
